

Kings Catering Carvery Menus

We offer a wide selection of choices on our Carvery Packages, and also give you the opportunity to create your own special menu for whatever your occasion.

Our staff will provide an excellent service leaving you with the time to relax and entertain your guests. No need to worry about the weather, as our team will cook under protection if needed, and bring your food ready to eat in to your venue.

Looking for something different, then why not try our Carvery Menu, the menu ideas are great for Pre Wedding Day Gatherings, Evening Wedding Receptions, Parties and Anniversaries.

A Carvery really looks the part at any Executive Function or Wedding, with our Chef ready to carve the succulent joints at your request.

To create your own special menu, please select your choices from below and call our Catering Manager for a full quotation. Your quotation will include equipment, staff to carve and serve, crockery and cutlery.
