

## Corporate Packages

Our special Corporate Packages are a perfect solution to a Working Breakfast or Light Business lunch. Whether you prefer the Breakfast Selections, Sandwich Platter options, BBQ, Executive Buffets, Hot Dinner or our Light Corporate Lunch Packages there will be something to suit most companies.

We also provide the option of creating your own bespoke package for your company if preferred, just call for details.

All of our deliveries are made in a refrigerated van and fully comply with all health and safety standards required. A copy of our Public Liability Insurance and Policies are in place and available on request.

If you are looking for a full day event or staffed event then please call and arrange an appointment for our Catering Manager to do a site visit, this will enable us to provide you with a full briefing and ensure all of your company needs are our highest priority.
